

NANTUCKET YACHT CLUB 2018 RACING GUEST POLICIES & PROCEDURES

The Nantucket Yacht Club is pleased to make available a monthly or seasonal Racing Guest Membership to qualified, sponsored skippers wishing to race in one or more of the Club's One Design racing series. The following describes the procedures, policies and privileges associated with the program.

1. **Application:** Complete and sign the attached application form. Please provide information on your sailing experience and qualifications, and any other information you would like the Racing Guest Committee to consider. The application form requires the signature of two regular members of the Nantucket Yacht Club: a Proposing Sponsor and a Seconding Sponsor.
2. **Review:** The application will be subject to the review and approval of the Racing Guest Committee.
3. **Fee:** \$700 per month/\$1,200 per season age 35 & up; \$275 per month/\$450 per season under age 35
4. **Charge Facility:** The Racing Guest will be provided with a temporary (or seasonal) charge facility that may be used to charge snack bar items and bar beverages, on race days only. The Proposing Sponsor shall guarantee payment of the Guest's charges if the Guest fails to pay in a timely manner.
5. **Privileges:** The Racing Guest Program carries the following privileges:
 - ▶ The opportunity to compete in the Nantucket Yacht Club summer racing series, and qualify for all NYC sailing awards.
 - ▶ Use of the NYC Snack Bar and Anchorage Bar on race days.
 - ▶ Unrestricted clubhouse access on race days and transit through the clubhouse while accessing the launch on non-race days.
 - ▶ Full-time use of the launch for skipper and crew. The Racing Guest must register with the front desk on NON-RACE days when entering the clubhouse to access the launch.
 - ▶ A parking permit that will be valid ONLY on race days. Racing Guests members are NOT allowed to purchase a daily parking pass.
 - ▶ The opportunity to represent the NYC at inter-club events or regattas with prior approval of the Fleet Captain and Race Committee.
 - ▶ The Club's hoist may be used to launch or haul out the racing boat listed below, provided the total weight being hoisted is less than 1,700 pounds.
6. **Boat Registration:** The Racing Guest is required to register each boat that he or she intends to race and pay all required fees. IOD's will be registered by the IOD Association. However, all Racing Guests who are IOD syndicate members should be sure to provide full on and off island contact information to the IOD Association, in addition to completing the attached form.
7. **IOD Racing Guests:** Any IOD syndicate member or approved substitute skipper who acts as helmsperson more than one race day during the season and is NOT a NYC member should apply for a one month or full season membership as needed.
8. **Limitations:** The Racing Guest privileges are limited to the individual. No privileges are extended to the Racing Guest's family, houseguests or friends. The Racing Guest may not introduce other guests to the club or its facilities, except if they are acting as crew on that day or they are immediate family members attending the post race award ceremonies. Racing Guest privileges are granted solely on a monthly or seasonal basis.
9. **Conduct:** The Racing Guest and his or her crew will be expected to abide by the same code of conduct applicable to a regular member, exhibit sportsmanship and courtesy on and off the water, honor his or her financial obligations, and understand that the Guest Membership exists solely at the pleasure of the Club. Failure to respect these principles will result in the Racing Guest's privileges being revoked without notice or appeal.
10. **Cell Phones:** Please remember cell phone use is not permitted on Club grounds except in the telephone booth or parking lot.
