

Nantucket International One-Design Fleet Association
NIODFA

January 14, 2015

To the World IOD Fleet Association and its Fleet Captains:

The Nantucket International One-Design Fleet Association is pleased to be hosting the 2015 World Association Championship Regatta on Nantucket Island.

The Nantucket Yacht Club will be the host Yacht Club for the event taking place September 13 – 18th, 2015.

Invitations will be awarded in accordance with the IOD World Class Association Championship Regulations to the fleets that have hosted a qualification series and to skippers that meet the eligibility criteria. To those qualifying, we strongly urge you to attend. A full racing and social event package is being planned. Shortly a Notice of Race will be published. Along with it, NIODFA will supply information regarding housing. A number of local families will provide rooms for crews and guests. In addition there will be information allowing each team to plan its visit in full. In the meantime, should you have any question you may contact the Fleet Captain regarding racing or the Event Co-Chairman regarding all other matters such as hospitality, travel and the social events being planned. We invite you to begin your planning early.

Nantucket is a small island 30 miles at sea south of Cape Cod, Massachusetts where the breeze blows consistently, especially in the early fall. Nantucket is an historic island with beautifully preserved architecture, many attractive shops, and sand beaches surrounding the island.

The NIODFA enthusiastically awaits the arrival of the World Championship competitors and looks forward to hosting this prestigious event.

With Best Regards,

Ian McNiece,
Fleet Captain
