

WINTER ONE-DESIGN MEETING

NEW YORK
MARCH 9-11, 2018

Dear NYC Members, NYC Sailing Members, GHYC Members,
NCS Members, Crew and Guests,

The 2018 Mid-Winter Sailing One Design Meeting will be held at the New York Yacht Club (NYYC) in New York City over the weekend of Friday, March 9 to Sunday, March 11.

All Nantucket One-Design sailors and racers, past, present and prospective, are welcome. The activities commence on Friday night with a reception at the Harvard Club.

Saturday's activities start at the NYYC at 8:30 am with a full breakfast, a review of island sailing programs, and a preview of Nantucket Race Week followed by "entertainment" featuring returning favorite, Dave Perry, leading a session on:

Tactics in Crowds!

Dave Perry presents an advanced and humorous look at tactical positioning at key areas around the race course (start, windward mark and leeward mark), with an analysis of the applicable rules and decision-making process in each. Dave includes spectacular video of all the tactical situations he discusses. This is an enjoyable presentation for all levels of racers, and for non-racer supporters.

Lunch will be served and there will be individual fleet meetings thereafter for all Saturday Fleets including: Alerions, Indians, Rhodes 19s, Marshall 15s, Marshall 18s, and Herreshoff 12 ½.

The day concludes with cocktails and dinner at the New York Yacht Club, with cocktails 6:00 pm and dinner at 7:00 pm.

We have included information regarding hotel reservation suggestions. We are looking forward to a great meeting and hope to see everyone there.

Sincerely,

Skip Willauer
Race Committee Chair

HOST INFORMATION

NEW YORK YACHT CLUB

37 W 44th St, New York, NY | (212) 382-1000

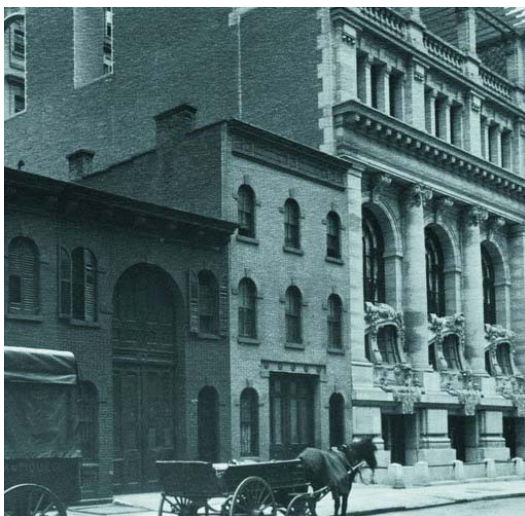

Winter One Design Meeting Host 2018 *About the NYYC*

The New York Yacht Club (NYYC) was started on July 30, 1844, when John Cox Stevens invited eight friends to his yacht Gimcrack, anchored in New York Harbor. The nine who met nearly 170 years ago resolved to form the NYYC and named Stevens commodore. Three days hence, the new commodore announced, members would be departing on a yacht-club cruise to Newport. Thus, began the historical connection between the NYYC and Newport, RI.

The NYYC's first clubhouse was built in 1845 on land donated by Commodore Stevens, at the family estate at Elysian Fields in Hoboken, NJ, overlooking the Hudson River. The clubhouse, a Gothic revival building, officially opened on July 15, 1846. This was followed the next day by the first club regatta, billed as a "trial of speed." This became the "Annual Regatta." This summer (2013), the NYYC will host its 159th Annual Regatta, presented by Rolex. Today, the NYYC has its signature clubhouse on New York's West 44th Street – a National Historic Landmark -- and an on-the-water clubhouse in Newport, RI. The first clubhouse, "Station 10," is on the Newport property.

Racing sailboats has long been a theme of the NYYC. Today, the NYYC conducts the aforementioned NYYC Annual Regatta presented by Rolex, Race Week at Newport presented by Rolex and Transatlantic races – the next one, the Transatlantic Race 2019, will be in June 2019 -- in conjunction with the Royal Yacht Squadron, the Royal Ocean Racing Club and the Storm Trysail Club. The club also conducts the biennial Rolex NYYC Invitational Cup for Corinthian (amateur) sailors representing their yacht clubs and nations, its companion event for U.S. yacht clubs, the Resolute Cup, and national, North American and world championships. The NYYC also runs and participates in numerous Team Racing Events and Cruising activities.

HOST INFORMATION

THE HARVARD CLUB

35 W 44th St, New York, NY | (212) 840-6600

Winter One Design Cocktails Host 2018 *About the Harvard Club*

The Harvard Club of New York City was founded in 1865 by five Harvard graduates seeking to continue the fellowship of Cambridge. The Club had no permanent home for nearly 30 years. Rooms were rented in a variety of locations for meetings, the annual dinner was held at a restaurant, often Delmonico's.

In 1890 with over 500 members, a Building Committee was formed to purchase land and build a permanent Clubhouse. Money was raised by subscription throughout 1891-92. Two adjacent lots were found on West 44th Street which was then lined with horse stables. The new Clubhouse opened in June 1894, furnished entirely with donations from members.

In 1905 the first addition was complete, also designed by McKim. In 1915 the second addition, a seven story tower, opened to the west. 1940 the "Ladies Entrance" was added just east of the main door allowing members' spouses and Radcliffe alumni to use separate quarters in the Club which included a reception room, a lounge, and two dining areas. Women were admitted as full members in 1972 and the Ladies Entrance removed. In 1967, the Harvard Club was included in the first group of buildings designated New York City Landmarks. Many additions were considered though the time was not right until 2000 when an expansion plan was determined. In 2003, the latest addition was inaugurated.

In 2014, the Club completed construction of an outdoor space for its members. A major milestone for the Clubhouse, the Rooftop is the most significant capital project realized in over a decade. The Bar combines contemporary elements with classic finishes; The Terrace provides Club members "al fresco" dining to enjoy during the warmer months with views of the Chrysler Building and Times Square.

HOTELS IN NEW YORK

Please make a reservation at any of the hotels in the area for the length of your stay. Below are some suggestions for your convenience:

NEW YORK YACHT CLUB

37 W 44th St, New York, NY

(212) 382-1000

www.nyyc.org

Our host for the Winter One-Design Meeting. To make reservations for a room, please call the number listed and reference account number: Z90515.

SOFITEL NEW YORK

45 West 44th Street, New York, NY
